

An aerial photograph of a rural landscape, likely in Japan, showing a network of roads, fields, and some buildings. A large, irregular area in the center and upper right is highlighted in a vibrant purple color. This area consists of numerous rectangular plots, some of which are further subdivided. A few plots within this purple area are highlighted in a lighter blue color. The surrounding landscape includes green fields, some clusters of buildings with red roofs, and a winding road or riverbed on the right side. The overall scene depicts a typical rural setting with agricultural land and small-scale development.
